

## **NOTICE OF PUBLIC HEARING**

Water Rate Increases  
For Seal Rock Water District  
Date of Hearing: May 10, 2018

Pursuant to ORS 264.312, NOTICE IS HEREBY GIVEN that the Seal Rock Water District Board of Commissioners will hold a Public Hearing on Thursday, May 10, 2018, at 4:00 p.m. or thereafter, in the conference room of the Seal Rock Water District Office, located at 1037 NW Grebe Street, Seal Rock, Oregon.

On February 1, 2018 the District received a 1.5% increase in the purchase of wholesale water from the District's source water provider. As a result, the SRWD Board of Commissioners will review and consider the adoption of a 1.5% increase in the monthly rate which would take effect beginning July 2018. If adopted, customers can expect to see an increase beginning with the June-July meter reading cycle for the statements mailed at the end of July 2018. The effect of the increase for a domestic customer that uses 1,000 gallons per month is \$.30 a month (from \$38.40 to \$38.70). The calculation process for outside district customer water rates will remain 150% of the inside district rates.

Interested parties are encouraged to attend the hearing. A copy of the proposed rate schedules is available for inspection, upon request, before the hearing at the Seal Rock Water District's Office. Written comments or testimony may be sent to the attention of the Office Manager, P.O. Box 190, Seal Rock, OR 97376, prior to the hearing.
