### SEAL ROCK WATER DISTRICT

### Regular Board Meeting & Budget & Rate Hearing Thursday, May13, 2021 @ 4:00 p.m.

### Public Meeting by Zoom Video Conference:

Due to the Governor's Executive Order related to public gatherings, SRWD will hold this meeting through Zoom video conferencing. The public is invited to attend the meeting electronically. Please E-mail tkarlsen@srwd.org to receive the meeting login information.

SRWD encourages the public to submit written comments on items included in the agenda by email to tkarlsen@srwd.org by 2:00 p.m. on the day of the meeting to be included as public testimony. Comments received will be shared with the SRWD Board of Commissioners and included in the permanent record.

### Call Regular Meeting to Order:

### Announcements/Visitor Public Comments:

Public comment period provides the public with an opportunity to address the Commissioners regarding items on the agenda. Please limit comments to (3) minutes.

### Consent Calendar:

Managers' reports included under consent calendar are an executive summary provided to Commissioners as an update of system conditions, projects, and programs. Management welcomes your feedback and request for more detailed information regarding any item before or during the meeting:

•	Invoice List	April 2021 to May 2021
•	Board Meeting Minutes	April 8, 2021

Board Meeting Minutes April 8, 2021
 SRWD Budget Committee Meeting Minutes April 15, 2021

Financial Report / Approve Invoices April 2021 to May 2021

Business Oregon Disbursement Request No. 31 May 2021
 USDA PMR Phase IV No. 11 May 2021
 Contractor's Pay Request No. 11 May 2021
 Change Order No. 3 – WesTech May 2021

General Manager's Monthly Report April 2021 to May 2021

#### Discussion and Information Items:

Consider Primary Source Water Project Update.

Presented by: Adam Denlinger, General Manager

Jeff Hollen, SRWD General Counsel

Consider Annual Employee Performance Audit Review Process.

Presented by: Rob Mills, SRWD Board President

Consider Developing a Formal Employee Succession Process.

Presented by: Rob Mills, SRWD Board President

### Public Hearing:

#### Open the Public Hearing:

• In accordance with ORS Chapter 264.312, conduct a public hearing to receive public testimony regarding proposed water rate adjustment FY 2021 - 2022.

### Close the Public Hearing.

### **Open the Public Hearing:**

• In accordance with ORS Chapters 294.453 and 294.456, conduct a public hearing to receive public testimony regarding the SRWD proposed FY 2021 - 2022 Budget.

### Close the Public Hearing.

Decision Items:

None

- Reports, Comments and Correspondence:
- Executive Session: according to ORS 192.660(2), Concerning:

  The SRWD Board may meet in Executive Session, pursuant to ORS 192.660(2)(h); To consult with legal counsel concerning the legal rights and duties of a public body with regards to current litigation or litigation likely to be filed. Representatives of the news media and designated staff shall be allowed to attend the executive session. All other members of the audience are asked to leave the room. Representatives of the news media are specifically directed not to report on any of the deliberations. No final decisions shall be made in Executive Session.
- Adjournment: Next Meeting: June 10, 2021 @ 4:00 p.m. Regular Board Meeting or establish date.

### SEAL ROCK WATER DISTRICT MINUTES OF THE

### Regular Board Meeting by Zoom Conference Call April 8, 2021

Introduction to Remote Meeting:

Denlinger, General Manager, explained that this board meeting is being conducted remotely and in person observing social distancing and the wearing of face masks in order to mitigate the transmission of the novel coronavirus and reduce the risk of COVID-19 illness in accordance with Governor Brown's Executive Order 20-12 to suspend all public gatherings. He further explained that the Board President will call each name to confirm those who are present by zoom conference. After each person hears their name, they need to reply. For each decision item in the agenda that needs to be approved, after discussion and deliberation, the Board President will call each name of the commissioner for their vote. After the commissioners hear their name, he or she will give the vote to the affirmative by saying YES or negative by saying NO.

Call Regular Meeting to Order:

President Rob Mills called the regular board meeting to order at 4:04 p.m., Thursday, April 8, 2021.

President Rob Mills confirmed that all commissioners present can hear each other by doing a roll call. Present by Zoom Conference Call were Commissioner Glen Morris, member; Commissioner Karen Otta, member; Commissioner Saundra Mies-Grantham, Secretary; and President Rob Mills. Staff: Adam Denlinger, General Manager; Joy King, Office Manager; Atty. Jeff Hollen, District legal counsel.

Excused Absences: Commissioner Deanna Gravelle.

### **Announcements/Public Comments:**

President Rob Mills asked if there are any announcements. Commissioner Glen Morris had no announcement; Commissioner Karen Otta had no announcement; Commissioner Saundra Mies-Grantham will not be available for the May 13 board meeting; Office Manager Joy King had no announcement; General Manager Adam Denlinger had no announcement; President Rob Mills announced that effective this month he resigned as an SDAO consultant because of the current pandemic that has affected his ability to meet with member districts for in person assessments. Virtual assessment is not very effective compared to the in person assessment.

Public Comments: No public in attendance

#### Consent Calendar:

Items on the consent calendar are March 11, 2021 minutes of the regular board meeting; March/April 2021 Financial Report/Invoices List; Business Oregon IFA Disbursement Request No. 30; USDA PMR Phase 3 No. 53; USDA Phase IV PMR No. 10; Contractor's Pay Request No. 10; and General Manager's Report. President Rob Mills asked if each commissioner has reviewed the items on the consent calendar. Commissioner Glen Morris answered YES; Commissioner Karen Otta answered YES; Commissioner Saundra Mies-Grantham answered YES; President Rob Mills answered YES. Commissioner Karen Otta motioned to approve the consent calendar. Commissioner Glen Morris seconded the motion. Discussion: Commissioner Otta was impressed that the accounted water loss percentage has improved from the previous month. The GM explained that the field crew found and fixed the leaks. President Rob Mills asked the commissioners for their votes. Commissioner Karen Otta voted YES; Commissioner Glen Morris voted YES; Commissioner Saundra Mies-Grantham voted YES, and President Rob Mills voted YES. Motion passed with YES votes.

### Discussion and Information Items:

#### Source Water Project Update:

The contractor continued placing the rebar and cement for the backwash basin and for the footings of the membrane building. The cement for the backwash and the membrane building footings were poured last week. Paso Robles Tank, the sub-contractor has completed the interior coating of the clear well tank. At the intake site, the footing for the electrical building has been constructed and rebars are in place ready for cement pour. CPI is also working on bringing power to the intake site. The contractor is also starting to work on the booster pump station located at 123rd Street. This is to increase the pressure to pump water coming from the intake site to the water treatment plant location in Makai.

Atty, Jeff Hollen gave a summary of what took place regarding the contractor's request for an extension of time. The District received a letter from the contractor dated March 19, asking for arbitration. The District responded by Adam Denlinger sending a letter dated March 26 including the attorney's analysis of the claims process. There should be a claim first before mediation/negotiation can take place. The District is still waiting for a reply from R&G Excavating, Inc.

### **Decision Items:**

Rate Adjustments for FY 2021-22:

Staff with the recommendation of the Board at the March 11, 2021, regular monthly meeting prepared a rate adjustment proposal 1 for Board consideration. It was discussed that a notice of a rate hearing needs to be sent out to the customers and it should include explanations outlined in the staff report (see attached) why it is necessary to increase the water rate. In the future after the water treatment plant is in operation for 18 months or 2 years, the District needs to do a rate study to see where we are financially at that time and re-evaluate the water rate. The District needs to hold a rate hearing in May before the budget could be adopted in June. Commissioner Karen Otta authorized staff to schedule a rate hearing for May 13, 2021 and send out a rate hearing notice to be included in the bills that will be mailed out in April. Commissioner Glen Morris seconded the motion. President Rob Mills asked for the commissioners' votes. Commissioner Saundra-Mies Grantham voted YES; Commissioner Karen Otta voted YES; Commissioner Glen Morris voted YES; President Rob Mills voted YES. Motion passed with 4 YES votes and 0 NO vote.

Scope of Services GSI Water Solutions:

As a condition of the District's Water Right Permit on Beaver Creek, the District is required to do water streamflow monitoring and water temperature monitoring of Beaver Creek. The District has been complying with these requirements and is now on its 3<sup>rd</sup> year of water streamflow monitoring and 4<sup>th</sup> year of water temperature monitoring. GSI Water Solutions, Inc. has submitted Scope and Cost Estimates for these monitoring and reporting tasks. The cost estimate for year 3 streamflow monitoring support is \$36,871 and the cost estimate for year 4 water temperature monitoring support is \$19,986. GSI Water Solutions, Inc. also submitted a scope of work and cost estimate for Year 1 for its services for Mid-Coast Conservation Consortium (MCCC) which is \$24,000. The District serves as a lead agency for MCCC, with the GM, Adam Denlinger as the convener. MCCC member agencies are the City of Yachats, City of Waldport, City of Newport, City of Lincoln City, and Seal Rock Water District. The cost for services of GSI Water Solutions, Inc. will be paid from contributions from member agencies. Commissioner Glen Morris motioned to authorize the GM, Adam Denlinger to execute the 3 Scope of Work and Fee estimate submitted by GSI Water Solutions, Inc. Commissioner Karen Otta seconded the motion. President Rob Mills asked for the commissioners' votes. Commissioner Saundra-Mies Grantham voted YES; Commissioner Karen Otta voted YES; Commissioner Glen Morris voted YES; President Rob Mills voted YES. Motion passed with 4 YES votes and 0 NO vote.

Reports, Comments, and Correspondence:

The Operator 1 position was offered to Kenneth Tanner, who meets the job description and has a background in water treatment. His first day of work is April 20, 2021. President Rob Mills asked what the process was in hiring a new employee under the pandemic condition. The first interview was done through Zoom with a panel of 3 staff, Brad Wynn, Joy King, and Adam Denlinger. The second interview was done in person with only the GM. Covid-19 protocol was followed with face masks and social distancing by all who interacted with Mr. Tanner.

April 15, 2021, at 6 pm will be the Budget Committee meeting that will be a Zoom meeting and 6 members are needed to

have a quorum.

A letter was drafted by SDAO addressed to Governor Kate Brown requesting funding for Special Districts Association of Oregon (SDAO) from the American Recovery Plan Act (ARPA) approved by the Federal Government. The State of Oregon has been awarded \$2.6 billion for Cities, Counties and the State but left out SDAO which consists of 900 Special Districts/Municipal agencies. SDAO is encouraging its members to take action and contact the state representatives to lobby the governor for funding for Special Districts from ARPA. The draft letter has been reviewed and comments from commissioners will be incorporated before President Rob Mills signs the final version of the letter.

**Adjournment:** Commissioner Glen Morris moved to adjourn the meeting. President Rob Mills adjourned the meeting at 5:18 p.m.

Next Board Meeting: May 13, 2021, at 4 p.m. Regular Board Meeting and Budget Hearing and Rate Hearing.

Approved by Board President	Date:	

### 

### SEAL ROCK WATER DISTRICT MINUTES OF THE

### Budget Committee Meeting by Zoom Conference Call Only April 15, 2021

Introduction to Remote Meeting:

Adam Denlinger, General Manager, explained that this Budget Committee Meeting is being conducted remotely using Zoom Video Conferencing in order to mitigate the transmission of the novel coronavirus and reduced the risk of COVID-19 illness in accordance with Governor Brown's Executive Order 20-12 to suspend all public gatherings. Those present in the office building were sitting at their own desk which is at least 6 feet apart to promote the social distancing guidelines currently in place at the federal and state level.

Call the Budget Committee Meeting to Order:

President Rob Mills called the Budget Committee Meeting to order at 6:14 p.m., Thursday, April 15, 2021.

#### Present:

President Rob Mills confirmed that all commissioners present can hear each other by doing a roll call. Present by Zoom Video Conferencing were President Rob Mills; Commissioner Karen Otta; Commissioner Glen Morris; Commissioner Saundra Mies-Grantham; Commissioner Deanna Gravelle; James Senn; Tom Ryan. Staff: Adam Denlinger, General Manager; Joy King, Office Manager. No public attended in person nor by conference call.

Excused Absences: Cheryl Paben, Barbara Flewellyn, and Barry Compton.

Elect Presiding Officer: Commissioner Karen Otta nominated James Senn as the Presiding Officer. There was no other nomination. All 8 members of the Budget Committee voted YES.

Read Budget Message for FY 2021-22 Budget: (See Attached)

Adam Denlinger, GM and Budget Officer read the Budget Message. Some of the highlights of the Budget Message are:

- The budget reflects reductions in areas where it is anticipated that revenues may not come in as expected due to the current local and nationwide economic conditions. The budget also includes an average water rate adjustment of 17%.
- The Board elected for the last couple of years not to increase the rate, most notably due to economic conditions
  brought on by the pandemic. When we look at the overall picture, where would the rates be if the district had not
  received over \$5.3M in grant funding toward recent major capital improvements? Obtaining sizable grants
  demonstrates a level of fiscal responsibility and stretches every available ratepayer dollar to the fullest capacity.
- While the board has fought to protect the rates for the customers, the District is experiencing increased project cost
  due to government requirements for American Iron and Steel (AIS) products, and Buy American requirements,
  which the board is in support of. However, this has increased cost, even though the District has been fortunate to
  obtain sizable grants, the additional cost for materials remains.
- The tax levy in the General Fund represents the District's permanent rate that can be used for operations which is \$.1259 per \$1,000 of the assessed value of the District. The Exempt Bond amount is \$799,300 as the ad valorem property taxes to be certified for collection to pay Bond indebtedness.
- A 1.3% COLA increase is expected for this fiscal year. Last year's Health Insurance Premium increased by 7% and
  is projected to increase again this year by 11.5% beginning July 1, 2021. Also, beginning July 1, 2021, PERS
  employer contribution rate will increase to 21.64% and the OPSRP rate will increase to 17.59%, it is expected that
  these rates will remain static until June 30, 2023. The District does not pay the employees required 6% contribution.

**Amend/Approve Budget Document:** 

The Presiding Officer, James Senn led the discussion and asked Joy King, office manager to discuss the highlights of the budget for each fund. Questions were asked after each page and after discussion the budget was approved by fund. General Fund, (pages 1-5) is used to describe the financial management and daily operations of the District.

Page 1 is a list of budgeted revenues in the General Fund for FY 2021-22.

Line 2, Net working capital is \$250,000, lower compared to the last 3 years. Revenue for FY 2020-21 is not coming in as anticipated, as a result of the pandemic, and also the AMI system has been completed and capturing leaks sooner. Line 4 – Interest includes \$32,000 from the 2011 contract with the City of Newport for the transfer of the South Beach service area in the amount of \$1.8 million including principal and interest payable in 30 years.

Line 7 – Water Sales \$2,104,000. It includes a \$29K principal payment from the contract with the City of Newport and \$2,075,000 in water sales which includes \$328,000 in water rate increase.

Line 8 - Service Connections \$37,500 includes 25 new services at \$1,500 each.

Line 9 – Miscellaneous Income \$35,300 includes \$10,000 for Transfer/Turn on Charges; \$10,000 for Delinquent Charges; \$100 for Damage Repair; \$200 for Developer Review Deposit; and \$15,000 for miscellaneous expenses.

- Line 14 Grants of \$103,000 includes \$3,000 SDAO Safety Grant and \$100,000 grant from American Recovery Plan Act 62 signed by President Biden. We are anticipating applying for grants that the district qualifies for when it becomes available. 63
- Line 21 Transfer from Water Source Reserve \$188,190. The District needs \$516,190 to balance the budget. Part of it 64 which \$328,000 from water rate increase and the remaining \$188,190 from the reserve.
- 65 Line 30 - Taxes Necessary to balance \$87,000. The District's permanent rate limit for General Taxes is \$.1259/\$1,000. The 66 estimated value of the properties within the district's taxing boundary is \$742,720,000. The permanent rate limit will raise 67 \$93,508.45 but the rate of the county collection is 94% which will bring in \$87,897.94 due to discounts and late payments. 68

The amount budgeted to balance is \$87,000.

- Page 2 is the budgeted amount for Administrative & Office Expenditures:
- Line 3 Salaries- Office \$308,100. Most employees are on the top of their wage scale. Tom Ryan asked what does the District provides for those employees who are on the top of their wage scale? The GM explained that the District has a performance award put in place for those who qualify for merits because of outstanding performance.

Line 5 - Employee Benefits \$388,000. This is for health insurance cost and PERS retirement contribution. Both costs will

increase beginning July 1, 2021.

111

112

113

114

Line 6 - Employer Payroll Tax Expense \$63,500. This includes payroll taxes for a new water treatment plant operator who

will be hired when the water treatment plant is completed.

- Lines 7,8, and 9 pertain to employee training, mileage and meal reimbursement, and lodging. The budget for these expenses was decreased. Due to the pandemic, no trainings are provided for in-person classes. Instead, the District encourages the employees to attend online training classes.
- Line 12 Professional Services \$111,000 includes legal, engineering, and audit services; billing/payroll/accounting software support; IT support; AMI software and Sensus customer portal support.
- Line 13 Insurance and Bond \$40,000, includes the water treatment plant and the water intake facility, which will be added to the property insurance when completed.
- Line 16 Phone and Office Equipment Repair/Replacement \$36,500. The increase includes the new phone line services at the water treatment plant, at the 98th St. PRV, and new cellphone service for the new water treatment plant operator. There were no questions on page 2.
- Page 3, line 3 Salaries- Field \$305,000. This budgeted amount includes a new operator 1 and a water treatment plant operator. The increase is very minimal compared to FY 20-21 budget since the salary of the newly hired operator 1 is in the middle of the scale while the employee who retired was on the top of his scale.
- Line 7, Performance Award \$19,000. This is to recognize and give merits to employees who are on the top of the wage scale and continue to achieve outstanding performance.
- Line 11, Toledo Water Purchase \$625,000. The District has negotiated a new contract with the City of Toledo effective Nov 1, 2020, until Dec 31, 2021. The monthly charges include a \$5,686.29 base rate charge plus water usage per 1,000 gallons using the City's outside rate.
- Line 14, Operating Material/Conservation/Covid-ARPA \$109,000. The District budgeted \$100,000 for any costs related to the covid pandemic. President Biden signed the American Rescue Plan Act and the District is anticipating to qualify applying for ARPA grants.
- Line 17, Toledo System General Maintenance/Share \$75,000. As part of the new water purchase contract with the City of Toledo, the District agreed to pay its share of the FY 20-21 for the City's minor system maintenance which is \$117,354.33.
- The \$44,854.33 was paid on Dec 21, 2020, and the balance is due on July 30, 2021. Jay Senn asked when is the end of paying the City for minor system improvements. The GM explained this should be the last payment since the contract will end on December 31, 2021.
- Line 24, Master Plan/Maps. Staff did not budget for this but budgeted it in the SDC Fund.
- Line 26, Building Upgrades \$15,000. James Senn asked what building is going to be upgraded. Joy King explained this is for any repairs for the pump stations the District owns.
- Page 4, line 5 to line 7 are required transfers from the General Fund to:
- Line 5, RD Requirement Reserve Fund \$18,420, as required by USDA as a condition of the 2012 Revenue Bond to set aside \$7,430 annually until it reaches a balance of \$74,300; and for the 2020 Revenue Bond to set aside \$10,990 annually until the balance reaches \$109,900.
- Line 6, Revenue Bond Payment Fund \$180,470. This is for annual loan payments of the 2012 Revenue Bond; the 2020
- Revenue Bond: and the 2016 IFA Revenue Bond.
- Line 7, Depreciation Reserve/SLARA \$84,000. This is a USDA requirement for the 2016 G.O. Bond to set aside \$84,000
- annually for replacements of short-lived assets with 5-15 years of life listed by the engineer in the PER. This annual requirement will increase to \$112,000 when the district closes its \$6,549,000 G.O. Bond loan with USDA next year.
- 115 Line 14, Operating Contingencies \$100,000. Rob Mills asked what expenses would qualify for Operating Contingencies. 116
- Joy King explained that the operating contingencies amount needs to be transferred to expenditure line item approved by 117 the Board by resolution before it can be spent. 118
- Page 5 is a recap of all expenditures from pages 2 4. James Senn asked if the Budget Committee approves the General 119 Fund Budget pages 1- 5. Karen Otta replied YES, Glen Morris replies YES, Tom Ryan replied YES, Deanna Gravelle 120
  - replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replies YES.
- 121 Page 6, Debt Service Fund is the budget to pay for the 2011, 2012, 2013, 2016 General Obligation Bonds payable from 122
- property taxes. Line 2, Working Capital is for payment of the unappropriated balance for the following year before taxes are 123 124 collected.

- Line 5 includes the interests from the City of Newport share of the 2011 & 2012 GO Bond. Line 6 includes the principal from 125 the City of Newport share of the 2011 & 2012 GO Bond. Line 8 Taxes Necessary To Balance is the amount needed from 126 property tax collection to pay the GO Bond loans. 127
- Lines 12 14 are principal payments for 2011, 2012, 2013, 2016 GO Bond loans. 128
  - Lines 17 20 are interest payments for 2011, 2012, 2013, 2016 GO Bond loans.
- 129 Lines 22 - 25 Unappropriated Fund Balance for the Following year are payments for GO Bond loans due before property 130 taxes are collected. 131
  - Line 27, Tax Credit Reserve \$36,800 is the balance of the City of Newport share of the 2007 GO Bond (now 2013
  - Refunding GO Bond) paid in advance. There was no question on page 6. James Senn asked if the Budget Committee
  - approves the Debt Service Fund Budget, page 6. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replied YES.
  - Page 7, Revenue Bond Reserve Fund page 7 is the budget to meet the obligation for the 2012 & 2020 USDA Revenue
  - Bond loans, and the 2016 IFA Revenue Bond loan. Resources for this fund are from revenue from water sales as a transfer from the General Fund.
  - Line 4, \$180,470 is the transfer amount from the General Fund needed to meet the annual revenue debt obligations.
  - Lines 11 12 are principal payments for 2012, 2016, and 2020 Revenue Bond loans.
  - Line 14 16 are interest payments for 2012, 2016, and 2020 Revenue Bond loans. There was no question on page 7.
  - James Senn asked if the Budget Committee approves the Revenue Bond Reserve Fund Budget, page 7. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES,
  - Saundra Mies-Grantham replied YES, and James Senn replied YES.

- Page 8, Capital Projects Fund page 8 is the budget to fund the Beaver Creek Source Water Project. Funding comes from loans and grants from USDA and Business Oregon IFA.
- Line 1, Working Capital, \$1,320,000 includes an estimated balance of \$1,000,000 interim loan carried over from the
- previous year and \$320,000 is the District's own fund that can be used to fund minor improvements.
- Line 7, Grant Proceeds \$4,449,500. The District anticipates receiving grant proceeds from USDA after all the interim loan proceeds are expended. The approved USDA grants are \$2,799,500 and subgrant of \$1,500,000. The budgeted grant proceeds also include the balance of \$150,000 IFA forgivable loan.
- Line 8, Loan Proceeds, \$6,549,000. The District anticipates spending all the interim loan proceeds in FY 2021-22. USDA
- will then close the District's G.O. Bond as a long-term loan and pay off the interim loan with BB&T (Truist Bank). Line 16, Engineering \$570,000. It includes project management, software development for the Water Treatment Facility,
- and start up training. Tom Ryan asked if there is a requirement that the district should use local engineers. The GM, Adam
- Denlinger explained that USDA, which is the funding agency does not require hiring local engineers. The office of Jacobs Engineering who designs and manages the project is in Corvallis; the office of WesTech Engineering who built the filtration
- membrane is in Utah. Karen Otta asked if line 23, SRWD Major Improvements \$320,000 is the offsetting amount of the 158 revenue included in Working Capital, line 2. Joy King replied yes, it is. James Senn asked if the Budget Committee 159
- approves the Capital Projects Fund Budget page 8. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied 160 YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replied 161 162

  - Page 9, RD Requirement Reserve is a requirement of the 2012 & 2020 USDA Revenue Bond loans. The District has 10 years to contribute to this fund from the General Fund until the amount reaches the equivalent of a 1-year loan payment which is \$184,230. Line 5, Transfer from other funds \$18,420 includes the \$7,430 which is the 2012 Revenue Bond loan requirement and \$10,990 which is the 2020 Revenue Bond loan requirement. James Senn asked if the Budget Committee approves the RD Requirement Reserve Budget page 9. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn
- 168 169 replied YES. Page 10, SLARA/Depreciation Reserve is a 2016 USDA G.O. Bond loan requirement to set aside \$84,000 annually to 170 replace assets such as field and office equipment, vehicle, and other assets that have a life of 5 to 15 years. These short-171 lived assets are listed in the Preliminary Engineering Report prepared by Jacobs Engineering and approved by USDA. 172
  - Line 5, Transfer from GF \$84,000 to comply with USDA requirement.
  - Line15 17 are capital outlay items. James Senn asked if the \$100,000 on line 16 will be used to buy heavy equipment. The GM, Adam Denlinger explained that it could potentially be used to replace the old dump truck which is costing more in repairs. James Senn asked if the Budget Committee approves the SLARA/Depreciation Reserve Budget page 10. Karen
- 176 Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, 177
- Saundra Mies-Grantham replied YES, and James Senn replied YES. 178 179 180
  - Page 11, System Development Charges Reserve (SDCs). This fund holds the SDC collections and can only be spent for projects approved by law that governs SDC collections such as, SDC Methodology Update and Master Plan Study/Update.
  - Line 2, Working Capital \$520,000 is the amount of SDC Collection in the Reserve at the beginning of FY 2021-22.
  - Line 7, System Development Charges \$73,410 is the estimated SDC collection for 20 new service connections at \$3,670.50.
- 183 Line 15-18 are capital outlays for expenditures that qualify for SDC funding. Line 16, Master Plan Study/Update \$50,000. 184
- The District's Master Plan 2010 needs to be updated. Most of the projects in the 2010 Master Plan has been completed or 185 are about to be completed. There are only a few smaller projects left to be completed. To be able to apply for any federal 186
- grants, the master plan needs to be updated to include new projects to upgrade the water main system. James Senn asked 187

if the Budget Committee approves System Development Charges Reserve, page 11. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replied YES.

!20 !21 !22 !23 !24 !25 !26 Page 12, Water Source & Distribution System Improvement Reserve. The contribution to this reserve is from the General Fund. The District has not contributed to this reserve for 2 years. When the District applied for loans and grants from USDA, it was the recommendation of the area loan specialist not to build up this reserve to qualify for the grant and sub-grant. Line 23 is a transfer to the General Fund to cover the budget shortfall due to the increase in wholesale water purchase beginning November 2020 until December 2021. The District is paying a monthly base charge plus an outside rate per thousand gallons purchased. James Senn asked if the Budget Committee approves the Water Source & Distribution System Improvement Reserve, page 12. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replied YES.

Page 13, SRWD Land and Buildings Reserve. This reserve was set up to save money to purchase the land to build the office and shop facilities. The contribution came from General Fund. The balance in the fund could be used for improving the pump station buildings and the operations facility. James Senn asked if the Budget Committee approves the SRWD Land and Buildings Reserve, page 13. Karen Otta replied YES, Glen Morris replied YES, Tom Ryan replied YES, Deanna Gravelle replied YES, Rob Mills replied YES, Saundra Mies-Grantham replied YES, and James Senn replied YES.

Motioned by Karen Otta to approve the Budget for FY 2021-22 pages 1 through 13. Glen Morris seconded the motion. James Senn asked for the Budget Committee's votes. Karen Otta voted YES, Glen Morris voted YES, Tom Ryan voted YES, Deanna Gravelle voted YES, Rob Mills voted YES, Saundra Mies-Grantham voted YES, and James Senn voted YES. Motion passed with 7 YES votes and 0 NO votes.

Karen Otta motioned to approve the Permanent Rate Limit for General Fund Operation as .1259 per \$1,000 of the total assessed value of the District, and the Exempt Bond amount of \$799,300 as the ad Valorem property taxes to be certified for collection, as of July 1, 2021. Motion was seconded by Glen Morris. James Senn asked for the Budget Committee's votes. Karen Otta voted YES, Glen Morris voted YES, Tom Ryan voted YES, Deanna Gravelle voted YES, Rob Mills voted YES, Saundra Mies-Grantham voted YES, and James Senn voted YES. Motion passed with 7 YES votes and 0 NO votes.

Adjournment: Karen Otta motioned to adjourn the meeting. President Rob Mills adjourned the meeting at 7:48 p.m.

Next Board Meeting: May 13, 2021, at 4:00 p.m. Budget Hearing and Rate Hearing and Regular Board Meeting.

### Seal Rock Water District

General Manager's Report: Board Meeting May 13, 2021

This report is an executive summary provided with this Board agenda to Commissioners with recommended actions if any. Detailed information, staff reports, and supporting materials are provided within the full agenda packet.

### PHASE-IV BEAVER CREEK SOURCE WATER PROJECT:

District staff and engineer along with funding partners from USDA-RD meet bi-weekly with R&G Excavating to discuss project schedule and status. Construction at the WTP site includes continued work on the backwash basin and membrane building. Several concrete pours on the backwash basin were completed in late April. Concrete footings were also poured on the membrane building. Concrete Masonry subcontractor is expected to mobilize in early May to begin the block construction of the membrane building and intake.

### **Raw Water Intake Structure:**

Cement pad for the pump station building has been completed. Final site grading has been completed in preparation for the subcontractor to begin the block wall construction. Erosion control BMPs continue in place and have been reestablished as some wet weather continues. CPI has completed the power installation to the intake site.

Beaver Creek Intake Pump Station Building:

### **Membrane Water Treatment Plant:**

The Contractor focused their efforts on continued rebar and concrete placement for the backwash basin, and the membrane building footings. R&G's subcontractor Paso Robles Tank has completed the interior coating of the clearwell tank.

Membrane Building Construction with Clearwell in the background and Backwash Basin to the left:

#### **NEW DISTRICT EMPLOYEE:**

SRWD is pleased to announce the arrival of a new employee in April. Mr. Kenneth Tanner (Kenny) joined the district on April 20th and has worked for other municipalities and has a background and certification in water distribution. Kenny's primary role will be to support the operation and maintenance of the distribution system. Kenney and his family are new to the Oregon Coast and the district is pleased to have him join the SRWD team.

### OTHER NOTABLE ACTIVITIES FOR THE MONTH INCLUDE:

- o Attended on-site Beaver Creek water quality field data collection.
- o Reviewed several Requests for Information (RFI's) for the Beaver Creek Project.
- Attended several meetings related to treatment plant operational software.
- o Staff completed a proposed FY 2021 2022 budget in preparation for the April 15, 2021, Budget meeting.
- o Attended SDAO Legislative Committee meetings, and SDAO Water Committee meetings.
- o Attended SDAO Board Meeting.
- Attendedg the Mid-Coast Water Conservation Consortium Meetings.
- o Hosted USDA-RD Beaver Creek Project Site Visit.
- Served as a panel member for the City of Newport for PW Director Recruitment.
- Attended several video conferences with engineers, contractors, and USDA to discuss submittals and schedule for work on the Beaver Creek Source water project.
- o Attended monthly OWUC Meeting.
- Hosted SRWD safety/staff meeting.

## Seal Rock Water District

	DATE ACTION R	ŒQU	ESTED: May 13, 202	1				
Ordinance	Resolution		Motion	Public Hearing X				
Date Prepared: April	15, 2021		Dept.: Administrati	ion				
SUBJECT: Public He Adjustme	earing - Proposed Water R nt	Rate	Contact Person for this Item					

### RECOMMENDED BOARD ACTION:

Subject to ORS Chapter 264.312; conduct a public hearing to receive public testimony concerning proposed water rate adjustment for FY 2021 - 2022.

### **FINANCIAL IMPACTS**:

The philosophy of the District has been to maintain a program of small annual increases to lessen the need for larger increases. Other considerations include increases from the District's source water provider, satisfying annual debt service, transfers to capital, and source water reserves.

### **BACKGROUND:**

Historically, the SRWD Board of Commissioners evaluates the rate annually for addressing any necessary increase in the rate and then requests that staff develop a proposal (potential scenario attached) for a rate increase that was provided to the Board on April 8, 2021. The Board directed staff to schedule a public hearing on May 13, 2021, to provide the community the opportunity to submit public testimony. As a result of negotiation with the district's primary source water supplier, the district received a large increase in the purchase of wholesale water. Following the direction of the Board at the April 8, 2021 Board meeting, staff is providing the following rate adjustment scenario for a proposed rate increase to be included in the 2021 – 2022 budget.

Rate making for community water systems is largely the philosophy of the governing body. The SRWD Board of Commissioners has chosen to take a proactive position to correct system deficiencies before the system fails. To do that rates or the district's taxing authority are subject to increase. In the case of the SRWD, both the rate and the district's taxing authority have been impacted. The district has enjoyed comparatively low rates when considering the communities around us. The Board elected the last couple of years not to increase the rate, most notably due to economic conditions brought on by the pandemic. Adjustment in the rate never seems to be welcome news. However, when we look at the overall picture, where would our rates be if we had not received over \$5.3M in grant funding toward recent major capital improvements? Obtaining sizable grants demonstrates a level of fiscal responsibility and stretches every available ratepayer dollar to the fullest capacity. Through grant funding, the district has been successful at maintaining reasonable water rates for our customers.

While the Board has fought to protect the rates for our customers, the district is experiencing increased project cost due to government requirements for American Iron and Steel (AIS) products, and Buy American requirements, which the Board is in support of. However, this has increased cost. Even though the district has been fortunate to obtain sizable grants, the additional cost for materials remains. Adjustment in the rate is a policy decision and is subject to public hearing in accordance with ORS, Chapter 264.312.

Presented By:	a. Wealinger

Hello

Thank you for contacting the district.

The SRWD Board of Commissioners strives to provide our customers with water at an affordable rate. While this rate increase is higher than typical, the amount is necessary to fund the cost of repairing aging infrastructure and complete major capital improvement.

Due to the increased cost of purchasing wholesale water from the City of Toledo, and the increase in project cost associated with the districts Beaver Creek Source Water Project, along with the cost for financing these improvements and other factors that are out of the district's control, unfortunately, a rate adjustment is necessary at this time.

As was stated in the letter provided in the April monthly bills to our customers, the district has not seen an increase in the rate since 2018. Please note, that your average bill of 6000-8000 gallons or \$79.98-\$100.33 per month will increase to \$92.65-\$116.15 per month. That is an increase of approximately \$12.67 to \$15.82 per month or a 16% increase.

Note: In your message you stated a 30% increase, we are not sure where you read that, our increase will be around 17%, not 30%.

Again, we appreciate your comment to the district and will provide a copy of your message to our Board of Commissioners. Please let us know if you have any further questions or concerns.

Hope that you have a fantastic rest of your day.

RE: Seal Rock Water District Website Contact Us Message Response Re: Rate Increase

I just want to let you know that we have received your email regarding the upcoming rate increase. The Board will meet on May 13, 2021 at 4:00 pm and will have a Public Rate Hearing to hear comments from the public. We will present your email to the Board for consideration and discussion during the Public Rate Hearing.

Thank you for reaching out to us. Have a great day.

Subject: Re: Seal Rock Water District Website Contact Us Message Response Re: Rate Increase

Thank you Trish for the explanation, could I put in a request to the board that they look at a two-year implementation of this; possibly 8.5% over 2021 and 2022? With the price of everything increasing this is a hard blow for fixed income families? Thank you.

Message:	I understand you are discussing raising our rates by a whopping 17 percent? I already find your rates extremely high as is. If you raise the rates by 17 percent, I will take the initiative to drill a well and you can then come and get your meter. I know several other neighbors that are planning on doing the same thing. If you raise your rate by 17 percent.

I do appreciate your reply. We are in the process of building a home. My previous water bill was from a very slow leak in a water line going to where a mobile home once stood......and most the bill was really just your base charge from simply having a water meter. I am assuming my water consumption will increase quite a bit once a home is there.

Sincerely,

-----Original Message-

## Seal Rock Water District

	DATE ACTION I	REQUESTED: May 13, 2021							
Ordinance	Resolution	Motion	Public Hearing   X						
Date Prepared: Apr	il 15, 2021	Dept.: Administration	Dept.: Administration						
SUBJECT: FY 202	1-2022 Budget Hearing	Contact Person for the Adam Denlinger, General adenlinger@srwd.org. 5	al Manager						

### RECOMMENDED BOARD ACTION:

Subject to ORS Chapters 294.453 and 294.456, the district is conducting a public hearing to receive public testimony regarding the FY 2021 - 2022 SRWD Budget as presented and approved by the SRWD Budget Committee on April 15, 2021.

### FINANCIAL IMPACTS:

The FY 2021-2022 Budget reflects a total sum of \$18,187,190

### **DISTRICT GOAL:**

Identify and prioritize challenges that must be overcome to ensure successful District operations dependent upon effective financial planning for the annual operation of the District.

### **BACKGROUND:**

The proposed Seal Rock Water District annual budget for FY 2021 - 2022 has been prepared pursuant to Oregon Local Budget Law and meets or exceeds guidance provided in the Oregon Department of Revenues Local Budget Manual. The FY 2021 - 2022 budget includes projected loan and grant revenues for capital projects.

On April 15, 2021, the District's citizens member Budget Committee assembled to review and approve the budget for adoption by the District's Board of Commissioners. Pursuant to Oregon Budget Law the District is required to hold a Public Hearing to allow the public an opportunity to provide comment regarding the approved budget. The proposed FY 2021 – 2022 budget is scheduled for adoption by the Board at the June 10, 2021, regular monthly Board meeting.
