

# Seal Rock Water District

## Job Opening for a Lead Water Treatment Plant Operator

**Application Deadline is July 29, 2021**

Seal Rock Water District is now accepting applications for a Lead Water Treatment Plant Operator for a newly constructed membrane water treatment facility. The Lead Water Treatment Plant Operator performs a variety of tasks necessary to the operation and maintenance of the District's Beaver Creek Water Treatment Plant. The treatment plant is a WesTech membrane filtration facility capable of treating 2 MGD. This position requires a State of Oregon Water Treatment Level 2 Certification. Seal Rock Water District is home to 5,500 full-time residents located on the central Oregon Coast.

Pay range: \$21.36 to \$30.18

Applicant must complete a Seal Rock Water District application. To review the complete job description and obtain a SRWD employment application please visit the District's website at [www.SRWD.org](http://www.SRWD.org). Click on Updates & Notices then click on Employment to view the job description and to download or print an employment application.

Applications are also available at the district office at 1037 NW Grebe Street, Seal Rock, OR. 97376. Arrangements to pick up an application can be made by contacting the district office at 541.563.3529. Choose Option 3. Applications can be returned to the district by email at [info@srwd.org](mailto:info@srwd.org), or by U.S. Mail on or before July 29, 2021, by 4:00 PM. Position open until filled.

Job posting opens July 9, 2021 and closes on July 29, 2021.
